

Dynamic Works Program Support

Virtual Tutoring Services - Fall 2020

Welcome

Chesterfield County Public Schools

We would like to introduce our Virtual Tutoring Services Beginning Fall 2020

Virtual Study Groups - Collaborative Learning

Dynamic Works Program Support will be providing virtual study group sessions for middle school students this fall. Our organization is here to assist the education process as we transition to virtual learning for the school year.

Our Goal: To serve as an educational supplement that will help students overcome academic challenges that may come with virtual learning. Through our tutoring services, our hope is that students will maintain exemplary grades, learn from one another, and gain confidence in their academic abilities.

FAQs

Location: All study sessions will be conducted online via Google Hangouts.

Who can sign up for tutoring sessions?

Our sessions are open for all middle school students.

When are sessions held?

Group Sessions will be conducted as needed every week. The number of days per week will be based on the participation and the need.

How long are sessions?

Each session is one-hour long.

How many students will be admitted in each session?

Each session will admit between two and five students.

What subjects are available for tutoring?

Core Subjects: Mathematics, Science, History/Civics, and English

Will there be assessments?

Initial Assessments will be administered to each student to determine learning gaps and the need of the student. Students will be paired to groups based on their assessments

Who teaches the tutoring sessions?

Licensed Teachers, College Interns

Why group sessions?

We believe group sessions create an environment for students to learn from an instructor as well as each other. Groups also allow for students to interact with one another, as online learning may prevent them from doing so during school hours.

Does DWPS offer Individual Tutoring Sessions?

Individual tutoring sessions are available by request
