Please refrain from wearing the following: flip flops or sandals, halter tops, crop tops, and articles of clothing that have inappropriate words, symbols, or logos.

What to Bring

Lunch - Parents are responsible for sending their children to camp with a lunch each day. While we will have snacks on hand, you may send snacks as well if you wish. Please refrain from packing any foods that contain nuts to avoid any allergy related incidents.

Water bottles - Because we will be spending a good amount of our time outside, each child needs to bring a bottle of water daily. We will have a water station for the children to refill their bottles throughout the day.

Sunscreen - we will spend lots of time in the sun. Please ensure that your child is equipped with sunscreen.

Spending Money - This is optional. Students may bring additional spending money if they would like to purchase food, souvenirs, etc.

Medication - If your child has any required medications or an EpiPen, please ensure that you have completed all required medical information at registration. All medications should be in their original containers and placed in a plastic bag with your child's name written on the bag.

A mask - Children should bring a mask or another face covering as we will be required to wear them when entering establishments.
